

Valley of the Moon Amateur Radio Club **WIRELESS**

**FOR ALL YOU KIDS WHO DON'T KNOW WHAT
REAL RADIOS LOOK LIKE!**

**FROM THE TOP: Happy St.
Patricks Day**

**The March 21 meeting will
be in McDougal Hall at SDC.**
This month we will be finalizing
details of the Hamfest. A brief
demonstration of IRLP/Echolink

will be made after the business portion of the meeting.

I contacted Past President, Dan, KG6LJN, using the 146.790 repeater in Santa Rosa and connecting to IRLP node 5980 in Hattiesburg Mississippi. The repeater in Mississippi belongs to AA5SG and can also be reached on Echolink Node 1545. It worked great, but there is a little delay. I kept thinking that we lost the connection, but a second later Dan would come back. You can reach any repeater in the world that is connected to the IRLP or Echolink system. A good website to visit for information on IRLP is at <http://www.irlp.net/>. Echolink information can be found at <http://www.echolink.org>. The Silverado Amateur Radio Society in Napa has a good repeater system hooked to Echolink and information can be found on their website at <http://www.napasars.org/>.

The Hamfest is just around the corner. There are always interesting things going on with the breakfast and swap meet and radio demonstrations, so I hope everyone has plans to stop by on April 28 and lend a hand.

The Sonoma Sheriff's Baker to Vegas Team will not be participating in the race this year. Without enough runners and volunteers to staff the event, it would have been too difficult to put together a fun program. The Fremont Radio group is still looking for more

help for this event. Anyone who would like to go to Las Vegas should let me know and I will get you in contact with them.

Tom, Eileen and I met with the Supervising Ranger of the Vallejo House in Sonoma about the possibility of having Field Day there this year. After reviewing the amount of equipment the club sets up for the Field Day Event, we determined that it is not possible to fit the operation in the parking area we were allowed to use without adversely impacting the other park users. This is not what we had intended and would not present amateur radio in a positive way to the Park Service or the Public. I would like to thank Tom for his efforts and hope that we can keep looking for other potential Field Day locations. It might be possible to have a Special Events Station at the Vallejo House to commemorate a Historic Event sometime in the future.

We decided at the February meeting to contact the County Parks Department to see if we can have Field Day at Maxwell Park again this year.

We still need net control stations for the VOMARC (May, Jul, Aug, Sept and Dec.) and ACS (Jul, Aug, Sept, and Dec.) nets. Let me know if you are interested.

Hope to hear you on the air and see you at the meeting.

73, Dave, KD6FIL

NEW EOC IN OPERATION.

As of March 3rd, the new EOC located at the fire station on 2nd street is operation. The radios were installed by Ken, N6KN, and Jim, K6UUW. The antennas were done by Randy, AA6GV.

2007 VOMARC VE SCHEDULE

April 28
August 25
December 1

As I have done in the past I will send out a request for who will be available for these dates approximately 2 - 3 weeks ahead of each date.

Joel Nadler, NN6J
VOMARC VE Coordinator

VOMARC MEETING MINUTES FEBRUARY 21, 2007

In Attendance: Dave, KD6FIL;
Tom, KG6QJQ; Jan, K9OOU; John,
W6TWQ; Jim, K6UUW; Eileen,
KG6QNT; Sanford, N7PIB; Ed

W1EJ; Joel, NN6J; John, KD6KVZ;
Ed, KA6OFR; Whit, KG6UYQ;
Mike, WB6TMH; Alan, K6KLL;
Dave, N6DSW; Tom Garske,
Guest

Meeting was called to order at
7:40 PM.

Minutes from January meeting
approved with a correction that
the Baker to Vegas Race is on
April 21, not January 21.

Treasurer's report: Not present,
but we still have money in the
bank.

ACS Report: The antennas and
power strip have been installed
at the Fire Station. The radios
need to be installed.

AMGEN Bicycle Race was held
Feb. 19 in Santa Rosa and Al,
N1AL, put together a team of
radio amateurs to help out. This
was an ACS event and went
very well. Jim, Dave and Rachel
were there.

Joint Drill with South County is
in the planning stages. It will
involve use of GPS and message
handling.

VE Report: There was a test
session on January 27. 6 people
attended and all advanced. One
person came up from Santa
Cruz to take the Extra Exam.
Joel indicated that a room had
not been reserved for the
session. A Motion was made and
approved that VOMARC send a
thank you card and a box of
candy to Nancy at SDC. The
next VE session is at the
Hamfest on April 28.

Baker to Vegas Report: The Sheriff's Dept is not sure they are going. They are having problems finding runners and donations. They will decide by March 4 whether to go or not. More news to follow.

Field Day: Tom, Eileen and Dave met with Rangers at the Vallejo House. There is does enough room to set up all our antennas and equipment at the Park. A MOTION was made and approved to have Field Day at Maxwell Park again this year.

Other news: Alan, K6KLL received some 7.2 amp hour batteries and donated them to the club. There is one left and we are requesting a \$5 donation. Let Dave know if you are interested.

The meeting adjourned at 8:05 PM.

Alan, K6KLL and Sanford, N7PIB gave a talk on County Hunting and all the awards that are available.

WHO IS THIS VOMARC MEMBER???

(Answer in the next issue!)

FOR SALE:

HF equipment:

All items believed to be in good working condition.

Kenwood TS 140S HF transceiver-\$350

MFJ 962C Versa Tuner III. 1.5 kW antenna tuner
